

E-Waste Recycling & Car Wash Event

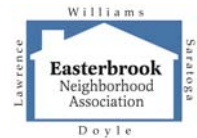

Saturday, May 15th from 9am – 3pm
Easterbrook Discovery School
4835 Doyle Road, San Jose, CA 95129

Don't forget to do your spring cleaning - take this opportunity to recycle your old electronics and other household goods/clothing (usable or not) with the Salvation Army, then get your car washed by EDS students for only \$5.

OR if you donate a TV or ream of paper, get your car washed for FREE!

Proceeds from TV/CPU e-waste will benefit the Easterbrook Discovery School plus three local neighborhood associations (Primrose, Strawberry Park, and Easterbrook). Donations of ink cartridges and cell phones will provide an additional benefit just to EDS.
